**UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF TEXAS
HOUSTON DIVISION**

PETITION TO FILE SUIT

To the Honorable Judge in said court:

Due to lack of justice at the District Court located at 301 Caroline in Houston, Texas 77002; I, Renee Jackson, Plaintiff/ ProSe Litigant, under the Fourteenth Amendment exercise my right to file a lawsuit against the Harris County District Clerk's office due to corruption and deceit in their court system.

General Reason

Plaintiff/Prose Renee Jackson has been treated unjustly and unfairly since filing her first petition November 11, 2021 and has been able to file suit for three other cases in the District Court (one case was settled out of court) and all motions have been ignored or denied. Plaintiff Renee Jackson has made every effort in contacting Court Management, sent emails, faxes, certified letters and phone calls with no resolution or answers to the credibility of the District Court, their staff, and their judges. Plaintiff sent emails to the State Commission on Judicial Conduct but only received negative responses relating to the state's confidentiality.

ARGUMENTS AND AUTHORITIES

FIRST CASE WITH FOLLOWING SUBMISSIONS

1. Plaintiff filed her first lawsuit, (Case No: 2021-74149) November 11, 2021 in the amount of \$250,000 for Medical Malpractice and case went to the 61st Court. (See Exhibit 1 (1-8).
2. When Defendants went past a twenty-day notice for response, Plaintiff Renee Jackson put in a Motion to Default December 15, 2021. It was ignored and finally denied. (See Exhibit 2 (1-3) and Exhibit A (2).
3. Plaintiff noticed that the judge of the 61st Court was approving all motions on behalf of the Defendants but never responded to the Plaintiff's motions. Plaintiff filed a Motion to Recuse against the 61st Court judge after research proved the judge had been in trouble previously due to a luncheon with attorneys and decided in their favor for a \$2,000,000.00 settlement. (See exhibit A (1)
4. Judge of the 61st Court did not recuse herself.
5. Judge of the 61st Court decided against Plaintiff Renee Jackson in favor of the Defendants May 6, 2022 due to Chapter 74 with Prejudice claiming Plaintiff missed the 120-day time frame for filing a response and submitting documentations Defendants requested. Plaintiff never received a copy of this order by mail nor email.
6. Plaintiff Renee Jackson requested in her motions that defendant Dr. Billy Puckett present a license for anesthesia in levels 1, 2, 3, and 4 and nothing was ever presented and the judge of the 61st Court ignored proof Plaintiff submitted to the 61st Court showing defendant Dr. Billy Puckett had no permit for anesthesia in levels 1, 2, 3, and 4 (See exhibit A (1-15). The judge of the 61st Court ignored the evidence and never requested that defendants send in the proof to her court. Plaintiff submitted the proof to the clerk's office and showed proof that she didn't have an appointment with Dr. Billy Puckett June 3rd of 2020 but

with a Dr. Barron at 2pm the day of injury. Plaintiff never saw Dr. Barron. (See exhibit 1 (1))

7. The day the judge of the 61st court decided in favor of the defendants May 6, 2022, plaintiff presented the judge with a Motion to Reinstate Case and judge told Plaintiff to file in the clerk's office instead of giving the plaintiff a chance to reinstate her case for reasons and evidence already submitted to the district clerk's office.
8. Motion to reinstate May 6, 2022; no response from the court.
9. Order to Reinstate case May 6, 2022; no response from the court.
10. Motion to Reinstate Case Docket and Notice of Hearing May 9, 2022; no response from the court.
11. Order to Reinstate Case Docket and Notice of Hearing May 9, 2022; no response from the court.
12. Motion for new trial May 9, 2022; no response from the court.
13. Plaintiff's Motion of Oral Hearing May 9, 2022; no response from the court.
14. Plaintiff's order of Oral Hearing; no response from the court.
15. Notice of Submission May 9, 2022; no response from the court, set for March 21, 2022 at 11:00am in the 61st Court; no response from the court.
16. Notice of Appeal May 13, 2022; no response from the court.

Plaintiff Renee Jackson filed the case 2021-74149 in the appeals court case 0-22-00369-CV but the appeals court, after switching a judge, decided in favor of the 61st court judge.

SECOND CASE WITH FOLLOWING SUBMISSIONS

1. Plaintiff Renee Jackson filed suit against defendant Roschell Santee (Case 2023-53330) August 15, 2023.
2. Plaintiff submitted in proof that defendant Roschell Santee claims to know important people in the law. Plaintiff sent in as proof pictures of judges, police officers, state representatives, and people in congress along with her petition which would be "A Conflict of Interest) and plaintiff is concerned about her case.
3. September 25, 2023 Plaintiff submits in her answer to the Defendant's response to her original petition and no response from the court.
4. Plaintiff Renee Jackson put in a Demand for Jury trial December 5, 2023; no response from court.
5. Plaintiff's case was disposed of May 6, 2024; Plaintiff was not aware of this new motion relating to her case because a Demand was put in for a jury trial.
6. Plaintiff submitted in a Motion to Reinstate case; no response from the 295th Court.

THIRD CASE WITH FOLLOWING SUBMISSIONS

1. Plaintiff files suit May 10, 2023 against Dr. Billy Puckett under another lawsuit in the amount of \$500,000.00 for Medical Negligence. Proof was submitted in again showing proof that Dr. Billy Puckett did not have a permit or license to administer anesthesia in levels 1, 2, 3, and 4 on Plaintiff Renee Jackson.
2. Plaintiff Renee Jackson's case was sent back to the 61st Court with case no; 202329961.
3. Plaintiff Renee Jackson put in another Motion for Recuse and showed evidence that the judge of the 61st Court was biased and evidence was in the

defendants' response of submission against the plaintiff for a previous case which included the judge of the 61st court dated and filed September 8, 2023.

4. September 11, 2023 before a Default judgement in favor of the defendants would take place September 18, 2023; the judge of the 61st Court Judge Fredericka Harris Phillips recused herself and case was given to the court of her choice the 127th Court.
5. Plaintiff Renee Jackson submits to the 127th Court 'Order for defendant's amended notice of submission for summary judgement (previously filed) be denied' until proof of a license or permit be shown to the court and the Plaintiff that Dr. Billy Puckett had a permit to administer anesthesia in levels 1, 2, 3, and 4 to plaintiff the day of her injury June 3, 2020 and that she was not used as a Guinea Pig and it was not a malicious act that this injury happened the day the Black Lives' Matter movement came to Houston.
6. Plaintiff submits 'Order for Jury Trial'; no response from the 127th Court.
7. Plaintiff Renee Jackson submits a 'Petition to Re-Open closed case 2021-74149; no response from the district clerk's office.
8. May 16, 2024 Plaintiff discovers case 202329961 was disposed of December 22, 2023 after calling district clerk's office to get an update on case.

FOURTH CASE WITH FOLLOWING SUBMISSIONS

Plaintiff Renee Jackson is concerned that there will be a 'Conflict of Interest' relating to her case 2022-756227. Plaintiff asked for a recusal of judge at the 234th Court because of the disrespect Judge Laureen Reeder presented toward plaintiff but allowed defendant Roschell Santee to speak. Judge Reeder did not allow plaintiff to question defendant Roschell Santee's husband in the presence of the judge and the judge allowed defendant to stop plaintiff Renee Jackson from

proceeding even though it was not a trial hearing. Plaintiff asked for a 'Motion to Recuse' Judge Reeder and received two denials of the recuse. One by email dated September 11, 2023 (the same day Judge Fredericka Harris Phillips of the 61st Court recused herself) and the other recusal was sent by mail November 11, 2023. (See exhibit 6 (1-5)).

United States Constitutional Defenses

Plaintiff is a United States citizen, born and raised in Texas and is not an African American because plaintiff was not born in Africa.

1: Regardless of plaintiff's race, we all have equal rights and all freemen*, when they form a social compact, have equal rights, and no man, or set of men, is entitled to exclusive separate public emoluments, or privileges, but in consideration of public services. (Feb. 15, 1876.) Sec. 3a. EQUALITY UNDER THE LAW. Equality under the law shall not be denied or abridged because of sex, race, color, creed, or national origin. This amendment is self-operative. (Added Nov. 7, 1972.)

2: The ERA; The Equal Rights Amendment is a proposed amendment to the United States Constitution designed to guarantee equal legal rights for All American citizens and all persons within the jurisdiction of the United States shall have the same right in every State and Territory to make and enforce contracts, to **sue**, be parties, give evidence, and to the full and equal benefit of all laws and proceedings for the security of persons and property as is enjoyed by white citizens, and shall be subject to like punishments, pains, penalties, taxes, licenses, and exactions of every kind, and to no other.

3: The Constitution of the United States of America! The 14th Amendment

This Amendment pertains to plaintiff as well and all persons born or naturalized in the United States and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States, nor shall any State deprive any person of life, liberty, or property, without due process of law, nor deny to any person within its jurisdiction the equal protection of the laws.

Prayer for Relief

Plaintiff Renee Jackson was used as a Guinea Pig by Dr. Billy Puckett who had no permit to administer anesthesia in levels 1, 2, 3, and 4 that is required by the Texas State Board of Dental Examiners. Plaintiff's last visit with Dr. Billy Puckett has brought about anxiety, distrust, and fear of getting hurt again by another dentist. Plaintiff's mental anguish since the injury has Not improved. Plaintiff needs more dental work but fear prevents her from visiting another dentist. This petition for suit should not be barred and evidence of a permit, showing dates and times the injury occurred should be presented to the court and to the plaintiff. Plaintiff Renee Jackson is a survivor of domestic abuse and she was abused and used by Dr. Billy Puckett to practice medicine on plaintiff that went horribly wrong. Restitution should be in the amount of \$500,000.00. Plaintiff is asking for mercy of the court to bring this case to trial and evidence from Dr. Billy Puckett showing him as a dentist with a permit to administer anesthesia in levels 1, 2, 3, and 4 required by the Texas State Dental Board the day of the injury and not afterwards.

Due to above statement for relief, Plaintiff has not been given the chance to fight against those hurting and harming her. The District Court at 301 Caroline has prevented plaintiff from having a fair chance at justice. The court, the staff, and the judges at the District Court's office has not been fair or just toward plaintiff's motions, submissions, and orders submitted to the judges in courtroom 61, 127, and 234. All motions have been denied, disposed of, and ignored. Plaintiff is a Pro'se and has followed the rules of the court. Defendant for case 2022-75622 warned plaintiff in front of Judge Lauren Reeder that if she sends anything to her or her

family relating to 'Certificate of Service' the defendant threatened harassment charges against the plaintiff and the judge agreed with defendant Roschell Santee. Conflict of Interest is preventing justice and a right for one to defend his or herself in a court of law.

The judges residing over case (2023-29961 and 2021-74149) decided against the Plaintiff in favor of the defendants on both cases when amount for both cases exceeded the limit filed in the district court. The limit at the district court level must not exceed over \$75,000.00 and yet these judges of the district court in the 61st court and the 127th court did not follow the rules and regulations of the court in dollar amount knowing the rules and regulations filed in the district clerk's office.

Plaintiff seeks resolution in the amount of \$5,000,000.00 against the District Court of Harris County for deceit, erasing files off the District Clerk's website pertaining to plaintiff's case, not notifying plaintiff of her motions but forward mail on cases decided against her, unethical and biased judges, and violation of her rights as a United States citizen and Pro'se. We beg and plead for mercy here at the UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF TEXAS, HOUSTON DIVISION. Plaintiff Renee Jackson has been in and out of the hospital since filing in 2020 due to stress, mental anguish, and lack of hope within the justice system at the Harris County District Court and has numerous medical bills to be presented if requested.

Respectfully submitted,

Renee Jackson

Re: CJC No. 24-0336

Dear Ms. Jackson:

The disciplinary system of the State Commission on Judicial Conduct serves many purposes: to protect the public; to promote public confidence in the integrity, independence, and impartiality of the Texas judiciary; and to encourage judges in Texas to maintain high standards of conduct both on and off the bench. One of the most important ways the Commission accomplishes this mission is through its investigation of allegations of judicial misconduct.

Judicial misconduct involves the willful or persist violation of the provisions contained in Article V, Section 1-a(6)A of the Texas Constitution, Texas penal statutes, or the Texas Code of Judicial Conduct by a person holding judicial office, or otherwise authorized to perform judicial functions, at the time of the alleged offense. If a judge has violated these rules, the Commission has the discretion to discipline the judge through an admonition, warning, reprimand, or requirement for additional education, issued publicly or privately. In severe cases, the Commission may initiate formal proceedings in order to publicly censure the judge or to recommend the removal of the judge from office. Not every transgression will result in disciplinary action.

Some allegations, even if true, do not rise to the level of judicial misconduct. For example, as a general rule, complaints about a judge's rulings (e.g., decisions relating to the introduction or exclusion of testimony or evidence at trial, bond setting, the issuance of arrest or search warrants, contempt of court proceedings, *ex parte* emergency relief, *habeas corpus* writs, temporary orders relating to custody, visitation, or child support, etc.) are not subject to review by the Commission, which has no authority to intervene in a court case or change a judge's rulings. Since the Commission cannot act as an appellate court, complaints relating to a judge's discretionary rulings will, in most cases, be dismissed for failure to allege judicial misconduct.

Jeremy Carter / Houston Chronicle

A state commission has issued a public warning against a Harris County civil court judge who attended a celebratory luncheon paid for by attorneys of defendants in her court, to whom she awarded a \$2 million judgment the following day.

Judge Fredericka Phillips, who was elected to the 61st Judicial District Court in 2016, violated state code when she attended the luncheon and failed to inform plaintiffs in the pending case, the State Commission on Judicial Conduct found on April 9.

Phillips did not respond to a request for comment. Judges typically do not answer questions about litigation because of state codes that prevent them.

RESPONSE TO DEFENDANT'S SUBMISSION

To the Honorable Judge in said court:

Plaintiff/Pro'Se Litigant, Renee Jackson, submits her response relating to Medical Negligence and in answer to the Defendant's lawyer due to the following reasons.

General Reason

June 3rd of 2020, Plaintiff went to Pearland Family Dentistry for an appointment she originally had with a Dr. Barron. But Plaintiff never saw Dr. Barron because Dr. Billy Puckett took over her chart and decided to be her dentist. Anesthesia administered by Dr. Billy Puckett and a puncture to the lip caused Plaintiff's mouth to deform and her gums are horribly uneven. Dr. Billy Puckett used Plaintiff Renee Jackson as an experiment to practice medicine on a black woman.

MOTION TO REINSTATE

Come now, I, Renee Jackson, files this MOTION TO REINSTATE herein and in support thereof, under TexR.CIV.P.329B and Texas Rule 26.1, would show unto the court the reasons why I am entitled to this appeal for the following reasons.

To the Honorable Judge in said 295TH Court:

I, Renee Jackson, Plaintiff, in the above-titled and numbered cause will show the following reasons why this notice should be granted in my favor. Whether a case is dismissed under rule 165a or the trial court's inherent power, or disposed of by a misunderstanding and incorrect information, the trial court must reinstate the case if it determines the failure of the party or his attorney "was not intentional or the result of conscious indifference but was due to an accident or mistake or that the failure has been otherwise reasonably explained.

3: The Constitution of the United States of America! The 14th Amendment

This Amendment pertains to me as well and all persons born or naturalized in the United States and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States, nor shall any State deprive any person of life, liberty, or property, without due process of law, nor deny to any person within its jurisdiction the equal protection of the laws.

Prayer for Relief

Plaintiff respectfully request the court for this motion. I would like to be given a fair chance to prove my case without the unfair and unjust cause of the defendant Roschell Santee getting the help of her important people in the court system sabotaging plaintiff's case with the assumption that the District Court is unjust, unfair, and corrupted. Plaintiff asks that Demand for Jury trial be honored and acknowledged and that disposal of case unjustly be re-instated and heard by a Jury Trial.

Respectfully submitted,

I submitted in this request at the Harris County District Clerk's office (See documents already on file) but was just recently told they were the wrong papers. Although I am representing myself in this case, it is a shame when people misinform you when you're trying to present yourself as a professional, so I am trying this again.

I am requesting date of trial to be considered on the court's submission document on March 21, 2022 at 11:00 A.M in the 61st court of civil law for MOTION TO DEFAULT FOR THE FOLLOWING REASONS.

2021 74149 / 161st Pearland Family Denistry
November 9, 2021

Texas Senate Bills, Codes and laws prevents us from getting justice and only protects doctors, lawyers, state and government offices and officials. This reminds me of the Black Codes and the Jim Crow laws. This is Not about unfairness toward black people, not about voting rights and not about redistricting. This is about getting justice when the state and government refuses to provide it.

I would like to have permission to file suit against a dentist who injured me last year!

To the Honorable Judge in charge:

Hello, My name is Renee Jackson. I am a 57 year old black woman. I am a survivor of an abusive marriage of sixteen years and my book Shirley relating to this crime is listed on Amazon along with four other books I've written. Due to COVID19 my books I am not able to promote my books as I would love to but I still make the effort to bring in extra income. I have been taking care of my disabled sister since January 2008 and due to circumstances we could not control, I have two of my daughters and a grandson residing with me.

I have been trying for years to get justice for my mother relating to a lawyer who stole my settlement and nothing has been done not even a full investigation. I

Case: 2021-74149

PETITION TO RE-OPEN CLOSED CASE

To the Honorable Judge of said court:

Plaintiff Renee Jackson is asking the court to reconsider decision for previous case that was dismissed by default due to Chapter 74 by the judge presiding over the 61st court. Said judge was ordered by plaintiff to Recuse due to unfair decisions made by said judge against the plaintiff and in favor for the defendants on previous case 2021-74149 and said judge did not step down from case. On plaintiff's new case 2023-29961; again, plaintiff Renee Jackson submitted in a request to Recuse said judge again, due to 'Conflict of Interest' and plaintiff's proof she needed about the unfair treatment against her relating to her case was discovered in Defendants' Summary Judgement. Plaintiff's Recuse against said judge when said judge recused herself from present case September 11, 2023. Because of the unfair treatment by said judge, Plaintiff is asking that case be re-opened and a trial be granted by a jury and not by another judge

for fear of 'Conflict of Interest' and her case would not be treated fair and just as required by law. Plaintiff prays for the mercy of the court due to this unjust and unfair act by the District Court's hiring of said judge.

Respectfully submitted,

Dear Ms. Jackson,

Earlier this afternoon a fax you had sent to the Office of Court Management was sent to my attention. Please know that you had directed your fax to the court management office for the county courts at law, but your fax references matters heard in the district courts and in the court of appeals.

I have apprised the 61st Court and the 234th Court of your pending motions to recuse. I would expect some action will be taken on them next week.

The administrator for the district courts is Mr. Richard Woods. His mailing address is:

The website is: <https://www.justex.net/office/admin>

The clerk of the court for the First Court of Appeals is Deborah Young. Her mailing address is:

The website is:

You are certainly free to write to the Office of Court Management if you desire, but I did not see any open cases for you in county civil courts at law.

Dear Ms. Jackson,

I know the orders declining and referring to Judge Susan Brown were signed. I will look for those copies and send them to you. The matter should be with the 11th Region. I will confirm that.

Hi. I have not received a response yet for my recuse concerning Judge Fredericka Harris and the court date is September 18th; I don't want to attend court without getting a response first because this is unfair to me. Thank you for reminding them but received no response.

I went to the administrative office at 1201 Fannin today at almost 4pm because I thought the building was closed and was instructed to go to the 7th floor to administrative by the front desk downstairs. I was lost on the 7th floor seeing only Court entrance doors and a young lady came out one door close to elevators and questioned me. I explained my reasons for wanting to complain against two judges. After she asked the name of judges she let me walk in with her in the administrative office on the 7th floor at 1201 Fannin and told me I was at the wrong location and that the office didn't handle complaints against judges and for me to contact by phone at number 1-512-463-5533 or go to website at <http://www.scjc.state.tx.us>.

Again, as always, I'm detoured to somewhere else and misinformed when I was at the correct address and on the correct floor (7th floor at 1201 Fannin) as the lady at front desk downstairs directed me.

I didn't get the young lady's name but she was white and I commented that it had been a while since I saw anyone writing with their left hand.

I also retracted a card off the lady's counter near her desk with the name Dr. Pamela Davis (Deputy Court administrator) Administrative Office of the District Courts; Harris County, Texas...

Proof listed below

So you see....this is what I go through. Why trust anyone at the District Court and the staff!!

Thank you so much for responding. Since my first open petition I have been misdirected to wrong departments, wrong addresses, wrong phone numbers and so on. This is why I say the District court is corrupted and very unfair. I will pray the information you have provided will be more accurate and helpful towards my concerns. This is my second filing for Recuse against Judge Harris and again, I have not received a response but defendant's lawyer has already been approved for a court submission date on the 18th of this month but my motions are never responded to by anyone from the court only the attorney.

Thank you. I will keep fighting for justice and my rights with the right judge that defendants don't know.

I have apprised the 61st Court and the 234th Court of your pending motions to recuse. I would expect some action will be taken on them next week.

ORDER DENYING MOTION TO RECUSE

The Court considered the Motion to Recuse filed by **Renee Jackson** in the above captioned case. Pursuant to Rule 18a, the motion was referred to the undersigned Presiding Judge of the Eleventh Administrative Judicial Region of Texas by the Honorable **Lauren Reeder**, who declined to recuse voluntarily.

The court has reviewed the motion and has concluded that it does not state legally sufficient grounds for disqualification or recusal. Recusal is not appropriate when relief can be found in the appellate process.

The motion does not comply for the following reason(s) and therefore no hearing is necessary.

The Court finds that the motion complains mainly of the trial judge's rulings and actions in the case. A party's remedy for unfair rulings is to assign error regarding the adverse rulings. See *Grider v. Boston Co.*, 773 S.W.2d 338, 346 (Tex. App.-Dallas 1989, writ denied). The Rule unambiguously indicates that a motion to recuse "must not be based solely on the judge's rulings in the case." See TEX. R. CIV. P. 18a(a)(3).

Therefore:

The Court ORDERS the motion DENIED without hearing.

Texas Senate Bills, Codes and laws prevents us from getting justice and only protects doctors, lawyers, state and government offices and officials. This reminds me of the Black Codes and the Jim Crow laws. This is Not about unfairness toward black people, not about voting rights and not about redistricting. This is about getting justice when the state and government refuses to provide it.

I would like to have permission to file suit against a dentist who injured me last year!

To the Honorable Judge in charge:

Hello, My name is Renee Jackson. I am a 57 year old black woman. I am a survivor of an abusive marriage of sixteen years and my book Shirley relating to this crime is listed on Amazon along with four other books I've written. Due to COVID19 my books I am not able to promote my books as I would love to but I still make the effort to bring in extra income. I have been taking care of my disabled sister since January 2008 and due to circumstances we could not control, I have two of my daughters and a grandson residing with me.

I have been trying for years to get justice for my mother relating to a lawyer who stole my settlement and nothing has been done not even a full investigation. I

A state commission has issued a public warning against a Harris County civil court judge who attended a celebratory luncheon paid for by attorneys of defendants in her court, to whom she awarded a \$2 million judgment the following day.

Judge Fredericka Phillips, who was elected to the 61st Judicial District Court in 2016, violated state code when she attended the luncheon and failed to inform plaintiffs in the pending case, the State Commission on Judicial Conduct found on April 9.

Phillips did not respond to a request for comment. Judges typically do not answer questions about litigation because of state codes that prevent them.

Dear Ms. Jackson,

Earlier this afternoon a fax you had sent to the Office of Court Management was sent to my attention. Please know that you had directed your fax to the court management office for the county courts at law, but your fax references matters heard in the district courts and in the court of appeals.

I have apprised the 61st Court and the 234th Court of your pending motions to recuse. I would expect some action will be taken on them next week.

The administrator for the district courts is Mr. Richard Woods. His mailing address is:

Dear Ms. Jackson,

I know the orders declining and referring to Judge Susan Brown were signed. I will look for those copies and send them to you. The matter should be with the 11th Region. I will confirm that.

Hi. I have not received a response yet for my recuse concerning Judge Fredericka Harris and the court date is September 18th; I don't want to attend court without getting a response first because this is unfair to me. Thank you for reminding them but received no response.

I went to the administrative office at 1201 Fannin today at almost 4pm because I thought the building was closed and was instructed to go to the 7th floor to administrative by the front desk downstairs. I was lost on the 7th floor seeing only Court entrance doors and a young lady came out one door close to elevators and questioned me. I explained my reasons for wanting to complain against two judges. After she asked the name of judges she let me walk in with her in the administrative office on the 7th floor at 1201 Fannin and told me I was at the wrong location and that the office didn't handle complaints against judges and for me to contact by phone at number 1-512-463-5533 or go to website at <http://www.scjc.state.tx.us>.

Again, as always, I'm detoured to somewhere else and misinformed when I was at the correct address and on the correct floor (7th floor at 1201 Fannin) as the lady at front desk downstairs directed me.

I didn't get the young lady's name but she was white and I commented that it had been a while since I saw anyone writing with their left hand.

I also retracted a card off the lady's counter near her desk with the name Dr. Pamela Davis (Deputy Court administrator) Administrative Office of the District Courts; Harris County, Texas...

Thank you so much for responding. Since my first open petition I have been misdirected to wrong departments, wrong addresses, wrong phone numbers and so on. This is why I say the District court is corrupted and very unfair. I will pray the information you have provided will be more accurate and helpful towards my concerns. This is my second filing for Recuse against Judge Harris and again, I have not received a response but defendant's lawyer has already been approved for a court submission date on the 18th of this month but my motions are never responded to by anyone from the court only the attorney.

Thank you. I will keep fighting for justice and my rights with the right judge that defendants don't know.

RESPONSE TO DEFENDANT'S SUBMISSION

To the Honorable Judge in said court:

Plaintiff/Pro'Se Litigant, Renee Jackson, submits her response relating to Medical Negligence and in answer to the Defendant's lawyer due to the following reasons.

General Reason

June 3rd of 2020, Plaintiff went to Pearland Family Dentistry for an appointment she originally had with a Dr. Barron. But Plaintiff never saw Dr. Barron because Dr. Billy Puckett took over her chart and decided to be her dentist. Anesthesia administered by Dr. Billy Puckett and a puncture to the lip caused Plaintiff's mouth to deform and her gums are horribly uneven. Dr. Billy Puckett used Plaintiff Renee Jackson as an experiment to practice medicine on a black woman.

PETITION TO RE-OPEN CLOSED CASE

To the Honorable Judge of said court:

Plaintiff Renee Jackson is asking the court to reconsider decision for previous case that was dismissed by default due to Chapter 74 by the judge presiding over the 61st court. Said judge was ordered by plaintiff to Recuse due to unfair decisions made by said judge against the plaintiff and in favor for the defendants on previous case 2021-74149 and said judge did not step down from case. On plaintiff's new case 2023-29961; again, plaintiff Renee Jackson submitted in a request to Recuse said judge again, due to 'Conflict of Interest' and plaintiff's proof she needed about the unfair treatment against her relating to her case was discovered in Defendants' Summary Judgement. Plaintiff's Recuse against said judge when said judge recused herself from present case September 11, 2023. Because of the unfair treatment by said judge, Plaintiff is asking that case be re-opened and a trial be granted by a jury and not by another judge

for fear of 'Conflict of Interest' and her case would not be treated fair and just as required by law. Plaintiff prays for the mercy of the court due to this unjust and unfair act by the District Court's hiring of said judge.

Respectfully submitted,

Renee Jackson

DR. ROBERT SANTEE		

ORDER DENYING MOTION TO RECUSE

The Court considered the Motion to Recuse filed by **Renee Jackson** in the above captioned case. Pursuant to Rule 18a, the motion was referred to the undersigned Presiding Judge of the Eleventh Administrative Judicial Region of Texas by the Honorable **Lauren Reeder**, who declined to recuse voluntarily.

The court has reviewed the motion and has concluded that it does not state legally sufficient grounds for disqualification or recusal. Recusal is not appropriate when relief can be found in the appellate process.

The motion does not comply for the following reason(s) and therefore no hearing is necessary.

The Court finds that the motion complains mainly of the trial judge's rulings and actions in the case. A party's remedy for unfair rulings is to assign error regarding the adverse rulings. See *Grider v. Boston Co.*, 773 S.W.2d 338, 346 (Tex. App.-Dallas 1989, writ denied). The Rule unambiguously indicates that a motion to recuse "must not be based solely on the judge's rulings in the case." See TEX. R. CIV. P. 18a(a)(3).

Therefore:

The Court ORDERS the motion DENIED without hearing.

MOTION TO REINSTATE

Come now, I, Renee Jackson, files this MOTION TO REINSTATE herein and in support thereof, under TexR.CIV.P.329B and Texas Rule 26.1, would show unto the court the reasons why I am entitled to this appeal for the following reasons.

To the Honorable Judge in said 295TH Court:

I, Renee Jackson, Plaintiff, in the above-titled and numbered cause will show the following reasons why this notice should be granted in my favor. Whether a case is dismissed under rule 165a or the trial court's inherent power, or disposed of by a misunderstanding and incorrect information, the trial court must reinstate the case if it determines the failure of the party or his attorney "was not intentional or the result of conscious indifference but was due to an accident or mistake or that the failure has been otherwise reasonably explained.

Due to previous Certificate of Service to defendant Roschell Santee; plaintiff Renee Jackson is respecting the fact that Roschell Santee asked plaintiff not to get in touch with her or her family in any or she would file harassment charges against plaintiff Renee Jackson (See original filing with evidence); therefore, plaintiff is respecting wishes of the defendant. Information on defendant is listed below.

Roschell Santee

3: The Constitution of the United States of America! The 14th Amendment

This Amendment pertains to me as well and all persons born or naturalized in the United States and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States, nor shall any State deprive any person of life, liberty, or property, without due process of law, nor deny to any person within its jurisdiction the equal protection of the laws.

Prayer for Relief

Plaintiff respectfully request the court for this motion. I would like to be given a fair chance to prove my case without the unfair and unjust cause of the defendant Roschell Santee getting the help of her important people in the court system sabotaging plaintiff's case with the assumption that the District Court is unjust, unfair, and corrupted. Plaintiff asks that Demand for Jury trial be honored and acknowledged and that disposal of case unjustly be re-instated and heard by a Jury Trial.

Respectfully submitted,

Renee Jackson

I submitted in this request at the Harris County District Clerk's office (See documents already on file) but was just recently told they were the wrong papers. Although I am representing myself in this case, it is a shame when people misinform you when you're trying to present yourself as a professional, so I am trying this again.

I am requesting date of trial to be considered on the court's submission document on March 21, 2022 at 11:00 A.M in the 61st court of civil law for MOTION TO DEFAULT FOR THE FOLLOWING REASONS.
